

VooV Meeting

Registration & Join Meeting — Step-by-Step Guide

Step 1

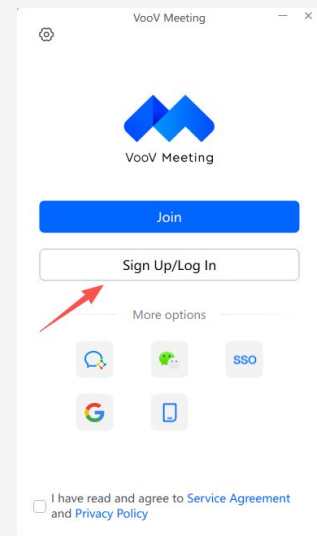

Download **VooV Meeting** & Click Sign Up / Log In

Search **【VooV Meeting】** on your search engine

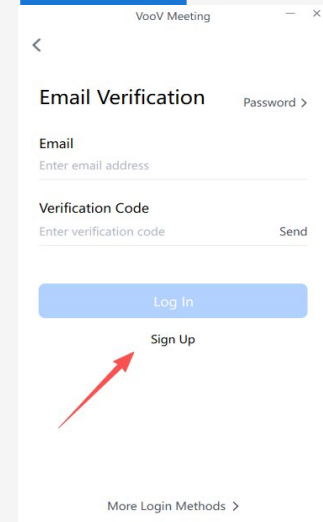

Please note: Make sure you download VooV Meeting rather than Tencent Meeting although they share same icon but Tencent meeting is only for Mainland China user ONLY.

Open the **VooV Meeting**

Step 2

Select Sign Up on the Login Page

To create a new account, click **"Sign Up"** (indicated by the red arrow) at the bottom of the screen.

■ If you already have an account, enter your email and click **Send** to receive a verification code, then click **Log In**.

Step 3

Choose Your Country / Region

Step ① **Country/Region.**

Select your current location from the drop-down list.

Please notice that your region setting affects data residency. Choose the region where you currently stay.

Step 4 Enter Your Email Address

In Step ② **Verify**, enter your **email address** in the Email field.

Click **Send** next to the Verification Code field — a 6-digit code will be sent to your inbox.

Enter the code and click **Next**.

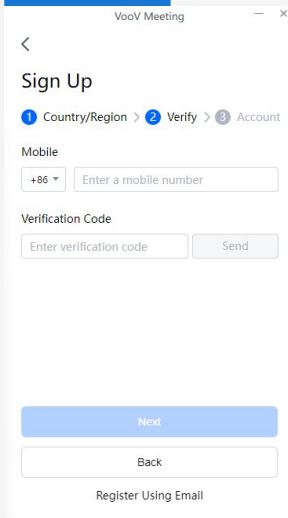

■ *Check your spam/junk folder if the verification email does not arrive within 2 minutes.*

Step 5 Register Using Mobile (Alternative)

On the email verification screen, click "**Register Using Mobile**" (indicated by the red arrow) to switch to phone-number registration.

Step 6

Enter Your Mobile Number

Select your country code (e.g., **+86** for China Mainland) from the drop-down on the left.

Enter your mobile number and click **Send** to receive an SMS verification code.

Input the code in the **Verification Code** field and click **Next**.

Step 7

Set Your Display Name & Password

In Step ③ **Account**, enter your **display name** — this is how other participants will see you in meetings.

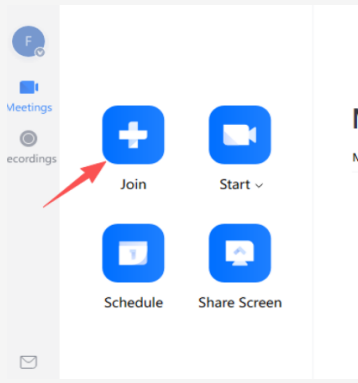

Create a secure password

Click **Sign Up** to complete account creation.

Part 2 · Join a Meeting

Step 8

Click the Join Button from the Home Screen

After logging in, you will see the VooV Meeting home screen with four main action tiles.

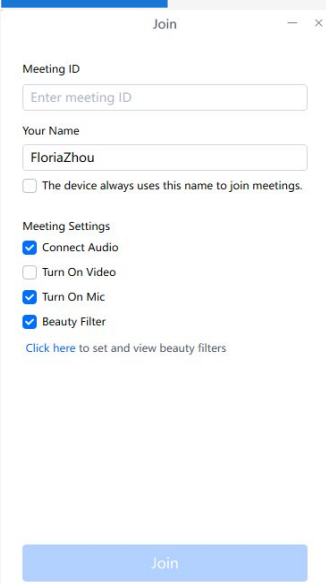

Click the **Join** button to enter an existing meeting.

The meeting ID and link will be shown in the invitation email sent to you by the host.

■ *Meetings scheduled by your organisation will appear on the right-hand calendar panel.*

Step 9

Enter the Meeting ID & Configure Settings

Type the **Meeting ID** provided by the meeting host.

Your display name is pre-filled from your account; you may edit it for this session by unchecking *"The device always uses this name"*.

Under **Meeting Settings**, choose your preferences:

- **Connect Audio** — join with your speakers/microphone enabled.
- **Turn On Video** — Check your camera on ready.
- **Turn On Mic** — unmute your microphone on entry.
